We had a fantastic Week 2 at B.S.C.S.!

Now that we are getting more in the groove we are really working hard to get to know each of our precious students-academically, spiritually, socially, and athletically-so that we can help **each student to be successful at B.S.C.S.!** To us, that's what makes education in 2018 so motivating, gratifying, and enjoyable!

PSA (Parent School Association) was **very well attended** but we can always use more participants. Looking forward to seeing more parents at the **October 2nd meeting, 7pm, in conference room C!**

Jaxson and Michael – along with everyone else- had a blast at M.A.C.C. picnic!

Noah, April, and Ashlynn present our **School Mission Statement** components. Ask your child to tell you our school's mission statement. Bet they get it the first time! 😊
