BUILDING BRIDGES

LET'S TALK
EVEN WHEN WE DON'T AGREE

October 23rd 6:30-8:30pm
Blessed Sacrament Parish Social Hall

This event can answer the questions:

- Is it possible to carry on good conversations with people with whom I disagree?
- What am I willing to do to improve civility?

Come and listen to three speakers:

- Jon Lynch from Three Rivers Company
- Kathy Snyder, director of Midland Area Wellbeing Coalition
- Erin Patrice, founder of The Breaking Bread Village

Each person will be presenting ways to engage in more civil conversations to create a peace-filled world.

Following the presentations, attendees, if they choose, will have opportunities to share their personal experiences and practice conversation in small groups with each speaker's help.
